

Spring/Summer 2015 Newsletter

NEWS & NOTES FROM THE DIRECTOR

Greetings and Happy Spring to all of my fellow Posen residents. Now that winter's chill has left us, I join all of you in eagerly anticipating the arrival of summer. With the seasonal change, a number of other changes will shortly be upon us as well. Chief among these changes will be another school year ending and the excitement of summer vacation. I am pleased to announce that the time of year we all prefer to spend outdoors will be filled with a number of exciting events. The Posen Park Fest will be making its return after a two year absence due to the road construction. This year's carnival midway will be provided by Fantasy Amusements, who will pull into town on Memorial Day for setup and run its rides and games May 28th through May 31st. We will hold multiple other events such as Movies and a Concert in the Park and we will welcome back the Circus on September 1st. I hope to see everyone attend one or more events. This promises to be a great year in the parks!
